President's Message

I've been leading the group for just over 3 years now. It has been fun and challenging. Some good changes have been made; changes that strengthen the organization.

The Members Show at the Jewish Community Center should work out well. It seemed the obvious choice and keeps us in Los Gatos. I want to thank the many volunteers, you have all been great.

It is time for me to resign. In January we need a new leader to take over. Someone who believes they know what is best for the LGAA and wants to help make it happen.

Is that someone you? - Karen Bemis
